4

Click "Get started" to add extra security.

Each time you sign into your account on an unrecognized device, we require your password and a verification code. Never share your code with anyone.

-  Add an extra layer of security
Enter your password and a unique verification code.
-  Keep the bad people out
Even if someone else gets your password, it won't be enough to sign into your account.

Get started

5

Enter your phone number and click "Next". (Mobile numbers can receive a verification text, land line phone number receives a verification number from a call.)

Let's set up your phone

Provide a phone number that we have on file. On sign in, this number will be used to contact you with a unique verification code to confirm it's you. Message and data rates may apply.

7 Enter the verification code, then click "Verify".

8 "You're all set", click "Done".

9 Read the terms then click "Accept."

barred If any of these terms will be deemed invalid, void, or for any reason unenforceable, that term will be deemed severable and will not affect the validity and enforceability of any remaining term. You may have greater rights, or some of the provisions may be prohibited, by virtue of state or federal consumer protection laws. In such a case, to such extent, the subject provisions will not apply to you. This Agreement and all related documentation are and will be in the English language. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly waived and excluded.
